

# FOXBOROUGH FOUNDERS DAY

## SATURDAY, JUNE 10, 2023

Dear Friend of Founders Day,

Thank you for your generous support of past Foxborough Founders Days. We are thrilled to be planning for our next celebration.

Our family has been volunteering with Founders Day since 2007. My husband, Dave, and I treasure our memories of building a school bus to fit on top of our daughter's kiddie wagon so she could "ride" in the parade. She has long since outgrown her wagon. Now, she helps bring that tradition to a new generation by helping with the doll carriage parade, while Dave and I take on roles helping with the field and parade. No matter how old we get, or how our individual Founders Day participation changes, I always look forward to finding each other in time to watch the fireworks as a family.

Founders Day started, for us, as a way to help out a friend. Since then, it has become so much more. To see the faces of so many in town and the happy looks makes it one of the best parts of living in Foxborough! As a past supporter, you know the benefits of giving back to our community and this event. We hope you will join us again this year in making 2023's celebration the best to date.

Thank You for your generosity,  
Monica Fisler & The Foxborough Founders Day Planning Committee
